

## Pricing for Data Governance Planner™

Annual license fees are scaled to your agency's average daily membership.

Here's the pricing guide.

Average Daily Membership (ADM)	Your Agency's ADM*	Annual License Fee	State & Local Sales Tax**	Total License Fee Due
Under 2,500		\$750		
2,500 to 10,000		\$1,000		
10,001 to 75,000		\$0.10 Times Your ADM		
75,000 and Above		\$7,500		

\*Use the ADM last published for state reporting.

\*\*If applicable, calculate and add your tax. A Tax-Exempt Certificate should be uploaded upon registration or will be needed with payment.

### **BASIC EDITION (Select with payment.)**

Smaller agencies may opt to use this less complex version with fewer roles, fewer committees, more consolidated processes. The pricing is the same. You may upgrade at any time at no additional license fee.

### **Statewide License for All School Districts**

Significant savings may be achieved with a statewide license.

These are priced based upon the total ADM statewide. The license is contracted by the state education agency for every local education agency.
